

RON AND LISA Smith

BIOGRAPHY

Talented husband and wife team, Ron & Lisa Smith, are known for bringing that certain extra something to every performance; and, in the past year, they have become one of the most sought-after performing duos on the West Coast.

Lisa's beautiful voice has filled many casinos and venues around Las Vegas, whether as a solo singer backed by her fabulous jazz combo, singing intricate harmonies with her female trio *Dangerous Curves*, or helping you reminisce about the Golden Age of Las Vegas with the long-running tribute show *Shades of Sinatra*.

Ron has also had a full career performing in the National Tours of *The Music Man* (Charlie Cowell/Harold Hill) and *42nd Street* (Julian Marsh), and using his deep, rich voice to enhance many an event throughout the Southwest, emceeding awards ceremonies, corporate events, casino tournaments, and even doing voiceover announcements for Garth Brooks.

Although Lisa and Ron continue to enjoy their own "solo" performing careers, their absolute favorite thing to do is perform and sing TOGETHER. When you combine these two talented artists, something magical happens...their unmistakable chemistry is evident from the moment they arrive on stage, and their passion for music & entertainment becomes infectious. You are guaranteed to fall in love with Ron & Lisa Smith!
